## Product Specification contract blending of solvents CAS No. : Gemisch

<b>Chemical name :</b>	contract blending of solvents
<b>chemical name :</b>	custom-mix solvent-based liquid products
<b>Einecs :</b>	Gemisch
<b>CAS No. :</b>	Gemisch
<b>Synonym :</b>	Mischung, Lohnfertigung,
<b>General informations :</b>	We custom-mix solvent-based liquid products for you and fill them reliably according to your specifications while complying with specified net weights in IBCs, canisters, or other containers. In addition, we offer labeling and order picking, including palletizing.

**Application :** The blending is carried out manually or via our automatic blending system. Additivation or emulsification with components specified by you can be carried out by prior arrangement before or during the blending process according to your specifications. The labels can be produced by us according to your specifications.

**Hazard Statements :** Unfortunately, we can only mix hazardous materials or strongly odorous liquids to a limited extent. Before confirming the order, we require a safety data sheet for the raw materials to be used. If such an SDS is not available, our hazardous materials officer can assist you in preparing the safety data sheets.

**Product categories :** SERVICES, tolling manufacturing
