Product Specification repacking liquid into 1000 tr IBC Containers

Chemical name :	repacking liquid into 1000 tr IBC Containers
chemical name :	contract repacking of liquids from tanktruck to IBC
filling from :	tank truck, IBC, drums or production tanks
repacking to :	IBC Containers, UN certified
Synonym :	Abfüllung, Lohnabfüllung, Kommissionierung, Verpackungsänderung
General informations :	We fill liquid products for you on a toll manufacturing basis from tanker trucks or ISO tanks according to your specifications. Of course, we comply with the specified net weights. In addition, we offer you labeling and picking, including palletizing.

Application : Filling is carried out manually or via our automatic filling system. Labels can be provided by you or produced by us according to your specifications.

Billing is based on quantity, unit of measure, or as agreed.

Hazard Statements : Before filling, we require a safety data sheet for the products to be filled. If such an SDS is not available, a dangerous goods officer can assist you in creating the safety data sheets. We would be happy to provide you with a contact for this.

Product categories : SERVICES, repacking services
