Product Specification repacking solid into bottles

Chemical name :	repacking solid into bottles
chemical name :	contract repacking of powders, granules, pellets
Appearance :	colourless to yellowish liquid
assay :	min. 90 %
others :	acid value: max 0,1
Packing :	drums
Synonym :	Abfüllung, Lohnabfüllung, Kommissionierung, Verpackungsänderung
General informations :	We repackage solids for you on a contract basis from big bags, sacks, or drums according to your specifications. Of course, we comply with the specified net weights. In addition, we offer labeling and order picking, including palletizing.

Application : Filling is done manually. Labels can be supplied by you or created by us according to your specifications. Billing is based on quantity, unit of measure, or as agreed.

Hazard Statements : Before filling, we require a safety data sheet for the products to be filled. If such an SDS is not available, a dangerous goods officer can support you in preparing the safety data sheets. We would be happy to provide you with a contact for this.

Product categories : SERVICES, repacking services
